Dear Nick,

On Thursday, January 26, the ASCC Arts and Humanities Panel reviewed History 1150, 1210, 1680, 2060, 2704, 3003, 3040, 3049, and 3275 (Historical Studies and Diversity in the U.S. or Global Studies).

History 2704 and 3049 were unanimously approved by the Panel.

History 3040 new course requesting Historical Studies & US Diversity

- **Two sets of assignment/grading information (p.3 and p.5). Remove one.**
- **approved with contingency**

History 3275 new course requesting Historical Studies & Global Studies

- Title: Should it be "Religion and its Critics in Modern Europe"? Curriculum.osu.edu form and syllabus have different titles. Ask Dept for clarification.
- **unanimously approved**

The Panel requested that the following courses be sent back for the following clarifications/corrections:

- History 1150 new course requesting Historical Studies & US Diversity
 - **Schedule is limited, not fleshed out. The readings, assignments are not included. Schedule should reinforce Social Diversity aspect of the course (beyond slavery).** (e.g., syllabus for History 2071 is a good syllabus.)
 - **Assignments need fleshed out (also contradiction: syllabus p. 2 point 4 at top of page: "Students will carry out in-depth analysis in a final paper..."; however, the assignments for this course do not include a final paper).**
- History 1210 new course requesting Historical Studies & Global Studies
 - **Schedule is limited; not fleshed out; the readings, assignments are not included. Schedule should reinforce Global Studies aspect of the course.**
 - **Assignments need fleshed out.**
- History 1680 new course requesting Historical Studies & Global Studies
 - **Schedule is limited; not fleshed out; the readings, assignments are not included. Schedule should reinforce Global Studies aspect of the course.**
- History 2060 new course requesting Historical Studies & US Diversity
 - Great feature of this course: high level of student involvement, trips (e.g., to Ohio Historical Society)
 - **14-week schedule should be fleshed out. Show in greater detail that course will fulfill**

Diversity GE category (beyond Native American aspect). Make this explicit.

- History 3003 new course requesting Historical Studies & US Diversity
 - **Diversity U.S. aspect of the course is not clear at all.**
 - **p. 4 of syllabus: “What is plagiarism? And URL” Remove and perhaps include after statement of academic misconduct.**
 - **Unanimously approved only for Historical Study** (*Inquire whether dept wishes to add Diversity in the U.S. Diversity content needs to be made explicit or Dept can decide not to pursue the US Diversity GE status.*)

I will send back the necessary courses via PACER in a moment. Should you or your faculty have any questions about the contingencies, please contact me or Tim Leasure, Chair of the ASCC A&H Panel (cc'd on this e-mail).

My best,
Bernadette
