Dear Jill,

On Thursday, February 9, the ASCC (ASC Curriculum Committee) Arts and Humanities Panel reviewed Community Leadership 3535 and unanimously approved the course for Culture and Ideas & Social Diversity in the U.S. GE.

As an fyi, the Panel deemed it beneficial that the following information about the course syllabus be communicated to the unit:

- References to "GEC" should be replaced by "GE."
- Under semesters, GE category will no longer be called "2. Breadth C. Arts and Humanities (3) Culture and Ideas." It will simply be called "Culture and Ideas."
- Include specific expected learning outcomes for Culture and Ideas.
- Course description paragraph after GE boilerplate language could be more specific as to how the course fulfills the 2 GE categories.

Should you or your faculty have any question about this feedback, don't hesitate to contact me or Professor Angela Brintlinger (Panel Chair-for-the-day)—cc'd on this e-mail.

Best regards,
Bernadette
