Dear Associate Dean Bisesi:

On Thursday, February 16, the ASCC (Arts and Sciences Curriculum Committee) SBS Panel reviewed the Global Public Health minor (conversion proposal).

The Panel did not take a vote on the minor. This is a popular minor and Arts and Sciences would like to offer the minor to its students. However, all minors approved for ASC students need to comply with the following rule: At least 6 hours must be taken at the 3000-level or above. Thus, the semester-version of the Global Public Health Minor needs to be adjusted to reflect this.

I will send back the minor via curriculum.osu.edu in a minute. Should you have any questions about this feedback, don't hesitate to contact me or Professor Bruce Weinberg, Chair of ASCC SBS Panel (cc'd on this e-mail).

Best regards,
Bernadette Vankeerbergen
