Dear Michael (if I may),

Yesterday, the ASCC SBS Panel reviewed the Global Public Health minor (conversion proposal) and unanimously approved it. The Panel noticed, however, that the course number changes had not been made on page 2 of the actual proposal (the changes were made on the minor semester advising sheet). I will send back the proposal via [curriculum.osu.edu](http://curriculum.osu.edu) to enable somebody in your office to make the small changes. As soon as we receive the proposal back, it will be reviewed by the whole Arts and Sciences Curriculum Committee.

Best wishes,  
Bernadette
