Dear Ed:

On Friday, April 20, the ASCC reviewed and unanimously approved the City and Regional Planning Minor and the Surveying and Mapping Minor (semester conversions).

FYI: The Committee noticed that for the Surveying and Mapping Minor, Appendix B "Proposed (semester-based) Advising Sheet," the second paragraph mentions, "The coursework consists of a minimum of 17 credit hours distributed in the following manner." This should be 19 credit hours.

Our office associate, Debbie Hanlin, will soon be in contact with information about ASC-approved minor sheets for semesters.

Best wishes,
Bernadette
