Dear Andy:

Yesterday, the ASCC Arts and Humanities Panel reviewed Education: Teaching & Learning 3356 for Literature GE status. The Panel unanimously approved the course with one small contingency, namely: Page 1 of the syllabus should contain the boilerplate goals of the requested GE category (right above the Arts and Humanities Expected Learning Outcomes):

Goals:

Students evaluate significant writing and works of art. Such studies develop capacities for aesthetic and historical response and judgment; interpretation and evaluation; critical listening, reading, seeing, thinking, and writing; and experiencing the arts and reflecting on that experience.

I will return the course via curriculum.osu.edu in a minute. When you upload the revised version of the syllabus, could you please make sure the older versions are removed?

Should you or your faculty have any question about this feedback, don't hesitate to contact me or Professor Tim Leasure (Panel Chair)—cc'd on this e-mail.

Best,
Bernadette
