Dear Dan:

On Thursday, March 8, the ASCC Arts and Humanities Panel reviewed Slavic 3320 for Visual and Performing Arts and Global Studies GE status. The Panel unanimously approved the course pending a few contingencies:

- Syllabus:
 - Boilerplate language is not the current language. Current GE language will need to be included.
 - P. 2: 2nd line under “Credits and attendance”: Remove “Social Diversity in the US”
 - P. 3: Grading scale: Remove D- & replace F with E. (F also appears on p. 2 under “Credits and attendance.”)
- Assessment plan: needs to be further developed.

Garrett Heysel has been in contact with the instructor about the course and the issues are already being addressed. Therefore, it is my understanding that this e-mail is for informational purposes only.

Should you have any questions about this feedback, don't hesitate to contact me or Professor Tim Leasure (Panel Chair)—cc'd on this e-mail.

Best,
Bernadette
