Dear Alisa,

On Friday, the ASCC (ASC Curriculum Committee) SBS Panel reviewed Psychology 5700. The Panel unanimously approved the course with three contingencies:

1. Schedule does not include any topics. There should be more specificity (at least sample topics).
2. Replace F grade with E in grading scale.
3. Deborah Haddad will try to obtain concurrence from EHE. She will also run this proposal by Speech and Hearing. (So this is not something that Psychology has to take care of.)

I will return the course to you via curriculum.osu.edu in a minute. Could you please remove the current syllabus and replace it with a revised syllabus? Also could you please make sure to communicate the revision to Linguistics. Except for the course bulletin entry, their course will need to be identical to yours.

Please let me or Bruce Weinberg, Chair of the ASCC SBS Panel, know if you have any questions.

Best wishes,
Bernadette
