Bernadette and Mary Ellen,

Dean Steinmetz concurs with the ASCC vote on Comp Studies 4626, so we can move it along to OAA. I think we need to attach all the relevant documents? Where is the course currently in the workflow? Next step?

Steve

Joe,

Have you had a chance to look over the Comparative Studies 4626 (“Intersectional Approaches to Global Economies”) course proposal and supplemental materials regarding Economics non-concurrence letter, Comp Studies’ rebuttal, and the ASCC vote on the course? If I can attach a short statement of your recommendation to the file, I can move it on to OAA—or, if you agree with the non-concurrence, it goes back to CS unapproved.

Let me know if you’d like me to re-send materials to you.

Thanks,

Steve
