Dear Michael,

On Friday, April 20, the ASCC SBS Panel reviewed and unanimously approved Speech and Hearing Science 4430.

The Panel had a couple of minor comments about the syllabus which will need to be addressed when the course is first offered:

- Disability statement: two references to “quarter”;
- Schedule is incorrect: Top of syllabus says Autumn 2013, but schedule contains dates in 2012. Also, this is a Monday, Wednesday, Friday course, but dates are Tuesdays and Thursdays & second exam is on a Saturday (10/27/12).

Should you have any questions about this feedback, don't hesitate to contact me or Professor Bruce Weinberg, Chair of ASCC SBS Panel (cc'd on this e-mail).

Best regards,
Bernadette
