Hello Julie,

On Wednesday, May 2, the ASCC Arts and Humanities Panel reviewed new course proposals for Linguistics 5700 and 5703.

Linguistics 5700: The Panel unanimously approved this course but had a few comments that the faculty might want to consider when the course is first offered (so this is just an fyi):

- Link for Academic misconduct is inaccurate. The correct one is:
http://studentlife.osu.edu/pdfs/csc_12-31-07.pdf
- Schedule does not say much about the topics as opposed to activities. Relate reading assignments better to the topics list.

Linguistics 5703: The Panel approved the course with contingencies (listed below):

- No description of the course in the syllabus. This should be added
- Will there be 15 weeks when course is offered? (If not, please adjust schedule for 14-week semester.)
- Link for Academic misconduct is inaccurate. The correct one is:
http://studentlife.osu.edu/pdfs/csc_12-31-07.pdf
- Assistant Dean G. Heysel will check about possible need for concurrence from Psychology.
- Make sure that title on curriculum.osu.edu form and on syllabus match. (Right now there are two different titles.)

I will return Ling 5703 in a minute via curriculum.osu.edu to enable the dept to make the necessary changes.

Should you or your faculty have any question about the points above, do not hesitate to contact me or Professor Tim Leasure (cc'd on this e-mail).

My best,
Bernadette
