Dear Andy:

At its meeting on Friday, June 8, the Arts and Sciences Curriculum Committee reviewed and unanimously approved the new Physical Activity Specialist Minor. The minor was viewed as a valuable addition to the curriculum.

The Committee had a small question as to whether the reference to 5 hours of transfer credit on the semester advising sheet might be a typo. Shouldn't this be 6 hours of transfer credit? (Also p. 1 of the proposal lists the Disability Minor as being an EHE minor. This is an ASC minor.)

The minor will next be reviewed by CAA.

Please let me or Professor Mitch Masters (Chair of ASCC) know if you have any questions.

Best,
Bernadette
