Hello Julie,

On Wednesday, May 16, the ASCC Arts and Humanities Panel reviewed the new course proposal for Linguistics 3604. The Panel unanimously approved the course.

As an fyi, the Panel noticed that there is a likely mistake in the grading scale: cf. part IV Final Project—final presentation. This cannot be 15%. Since the 4 interviews add up to 20%, is the final presentation worth 5%?

This course too has an effective date of SU12. I will change the effective date to SP13—please let me know asap if that should not be the case.

Should you or your faculty have any question about the course, do not hesitate to contact me or Professor Tim Leasure (cc'd on this e-mail).

Best,
Bernadette
