Hi Bernadette,

7742 is part of a revision we have proposed for the MA-SLP curriculum. If the revision is approved we would like to have 7742 on the books for Autumn; but it is not crucial. In the past students in both the 1st year and 2nd year of the program took 744 (Converted to 6742), but were in two different sections. We wanted to create a distinction between the two, so we created 7742. The students could still take 6742 for Au '12 and enroll in 7742 once it is available for Sp '13. So, yes, we'd like it available for Autumn, but we can live w/o it if this is a hassle. 6761 for Autumn; and 6762 for Spring is perfect.

Thanks
Mike T.

Subject: SHS 7742 / SHS 6761 and 6762

Hello Mike,

I have a few questions:

- 1) SHS 7742 is back in my queue: <https://curriculum.osu.edu/curriculum/course.jsf?id=1008373>

It does not seem like this course will be offered in SU or AU, so *I will change to the date to SP 13, OK?*

- 2) Also, on Friday 5-18, the ASCC SBS Panel reviewed and unanimously approved the consolidation of SHS 6761-6764 (4 courses) into 6761 and 6762 (2 courses). Both courses have an effective term of SU 12. Would it work for you if we change the effective terms to (A) *AU12 for 6761* and (B) *SP13 for 6762*? Or are you planning on offering 6762 in AU12 as well? (Or can both courses be changed to SP13?)

Thank you for letting me know.

Best,
Bernadette
