### Course goals or learning objectives/outcomes

- Goals: By living and studying outside the U.S, students acquire and develop a breadth of knowledge, skills, and perspectives across national boundaries that will help them become more globally aware.
- Expected Learning Outcomes: Students recognize and describe similarities, differences, and interconnections between Britain and the U.S. through analysis of course materials and participation in class discussions.
- Students function effectively outside the United States by living and studying in Britain and by traveling independently both to and from and within Britain.
- Students articulate how their time abroad has enriched their academic experience by documenting and reflecting upon their experiences in Britain through essays, journals, blogs, and group discussions.

### Content Topic List

- Overview of British History and Royal Dynasties
- Politics in Britain; the United Kingdom and its Breakup
- Britain and the Wider World: From Empire to European Union
- Post-Colonial Britain
- Social Class and the British Educational System
- Britain in the Two World Wars
- Post-War British Politics and Culture
