Dear Eric:

On Wednesday, May 30, the ASCC Arts and Humanities Panel reviewed the new course proposal for Theatre 5771.10. The Panel is asking that additional information be provided in the syllabus:

1. Graduate/undergraduate status of the course (5000 level) should be reflected in the content of the syllabus. (This can probably be addressed via point 2 below.)
2. Syllabus not detailed enough: for example,
  - graded assignments should be described in detail;
  - schedule should include further information about reading assignments (page numbers, etc.) and case studies. Specifying only the plays is insufficient when the course is about historical differences in the productions, not Shakespeare's text.

I will return the course via curriculum.osu.edu in a minute.

Should you or your faculty have any question about the course, do not hesitate to contact me or Professor Tim Leasure (cc'd on this e-mail).

Best,  
Bernadette
