Dear Tony,

On behalf of the ASCC, I wish to thank you for attending our meeting on Friday, September 20 to discuss the proposed International Studies BS.

The proposal was unanimously approved with one contingency, namely the addition of a requirement that students take a data analysis course as part of the major. This is a requirement for BS degrees.

Should you have any questions about this feedback, please feel free to contact Professor Rebecca Harvey (Chair of ASCC; cc'd on this e-mail), or me.

I will return the proposal in a minute to enable the unit to make the necessary changes.

Best regards,
Bernadette
