Tony:

The proposal to establish an undergraduate major program in International Studies leading to the Bachelor of Science degree, was approved by the Council on Academic Affairs at its meeting on February 5, 2014. Thank you for attending the meeting and responding to comments/questions.

Final approval is contingent upon receiving a revised version that clarifies the credit hour specifications, related to minors, that we discussed at the meeting, and on a formal request for transcript designation. We will work with the College of Arts and Sciences on getting those changes within the next few days and I will inform the Council at its meeting on February 19, 2014.

No additional internal level of review/approval is necessary, and this action will be included in the Council's next Annual Activities Report to the University (June 2014).

Note that new majors need approval by the Ohio Board of Regents, and I will send the proposal there immediately, and keep you apprised of its status.

This message represents my formal communication with you about this Council action. Please keep a copy for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Henry Zerby (zerby.8) or me.

Randy
