Hi Mary,

On Friday, October 12, the ASCC Arts and Humanities Panel reviewed History of Art 3631. The course was *approved with contingencies*. The revisions that the panel would like to see are the following:

- GEC Language needs to be GE language (e.g. “breadth”) in the GE Statement section (Please find the GE language for all GE categories here: <http://asccas.osu.edu/curriculum/ge-goals-and-learning-outcomes>)
- Remove “Students may opt to count the course in either category but not both” in the GE Statement on page 2 of the Syllabus.

I will send back the course via PACER in a moment. Should you have any questions about the contingencies, I would recommend you contact Professor Tim Leasure, Chair of the ASCC A&H Panel (cc’d on this e-mail).

Best Wishes,
Danielle
