Dear Kristi and Lindsey,

Kristi, as you know, yesterday the SBS Panel of the Arts and Sciences Curriculum Committee (ASCC) reviewed the request to add GE Social Science—Human, Natural, and Economic Resources to Sociology 2320. The request was unanimously approved with the following contingencies:

- On p. 1: add goals for GE Social Science— Human, Natural, and Economic Resources (right before the expected learning outcomes)
- Assessment plan: information on how assessment data will be used to improve the course in the future should be included (i.e., how to use the feedback).

Please let me know if you have any questions about this. I will return the course in a minute to enable the department to make the necessary changes.

All the best,
Bernadette
