Hello everyone,

I see that the S-course has been approved for Summer and I was glad to see that the S-approval had been done. For the 2094, I would like to make an appeal such that this course and 3467S be fast-tracked for SP 2013 offering. Doug, Trish, Aleta, Dickie and I worked hard to make the deadline to get these moved forward but being new I didn't realize how much time it would take to organize the appropriate panels, work out the kinks, get the necessary concurrences etc. If there is any way to get both of these courses ready for SP 2013 effective date I would really appreciate it. I think that the syllabi are solid and I know that this has been a long process to support the unit offering the courses. If you would be so kind as to condor this an appeal, an exception, I would greatly appreciate it.

Best,
Garrett

Garrett,

Carrie asked me to take a look at these courses. It appears to me that:

- ASC 3467S has been fully approved (that just happened yesterday).
- ASC 2094 was approved by Wayne, as you suspected, and is now waiting for ASCCAO approval. Here is a screenshot of the status:

Status	User(s)	Date/Time	Step
Submitted	Hanlin, Deborah Kay	09/14/2012 2:12 PM	Submitted for Approval
Approved	Vankeerbergen, Bernadette Chantal	09/14/2012 2:12 PM	Unit Approval
Approved	Carlson, Wayne Earl	09/20/2012 6:09 AM	College Approval
Pending Approval	Nolen, Dawn Jenkins, Mary Ellen Bigler Vankeerbergen, Bernadette Chantal Hogle, Danielle Nicole Hanlin, Deborah Kay	09/20/2012 6:09 AM	ASCCAO Approval

We did double check since these should also have been in your workflow queue. There was an issue with your access which has now been fixed. You should see all new ASC requests routed properly to you.

My apologies for the delayed access and please let us know if you have any questions,
Chris

Hello Doug, both are in Wayne Carlson's queue for approval. As you can see from the attached email, it has to do with a change in fiscal units. My understanding is that Carrie was going to reroute these to me but perhaps they moved forward to Wayne in the time gap between that change. Carrie, any thoughts?

Hi Garett:

Could you please let me know where ASC3467 (Issues in Tutoring) and ASC2094 (Audio Production) are in the pipeline? When will students be able to schedule them for spring semester?
