Dear Mari and David,

Last week, the ASC Graduate Curriculum Committee unanimously approved course proposals for EALL 5310 & Japanese 5311.51.

The proposals will next move to the Graduate School and OAA.

On another note, if the Dept of EALL is still planning on offering these 2 courses this Summer, could you please respond to this e-mail and simply indicate that OAA's deadline needs to be appealed (since SU 13 course requests are no longer accepted by OAA/OUR without an appeal). Deadlines are posted here: <http://asccas.osu.edu/curriculum/important-deadlines> . I'll wait for your response.

Best regards,
Bernadette
