Dear Alisa,

On Thursday, October 25, the SBS Panel of the Arts and Sciences Curriculum Committee (ASCC) reviewed and unanimously *approved* the new course request for [Psychology 4509](#). One question regarding the stated prerequisites (i.e., "Psych 2200 [220], 2300 [300], and 3310 [310]") was raised. Are all three courses indeed required, or should this be "or"? Thanks for letting me know.

Psychology 4509 will next move to the full ASCC for a two-week comment period.

Best wishes,
Bernadette
