Hello Dan and Spencer,

Today, the ASCC Arts and Humanities Panel reviewed Slavic 4597. This is a re-envisioned course, which under quarters already had GE Cross-Disciplinary Seminar status (previously called GEC Issues of the Contemporary World) and is now requesting the additional GE Global Studies status.

I am happy to report that the Panel unanimously (re-)approved the course for both GE categories.

I do have a quick question. The effective term currently listed on the form is SP13. Course requests for SP13 were supposed to be approved through OUR by August 1. (See here: <http://asccas.osu.edu/curriculum/important-deadlines> ) Will this course actually be taught in Spring 13? Or can I change the effective term to AU13? Thank you for letting me know.

Best,  
Bernadette
