Hi Julie,

The course change request to make Linguistics 5700 (and Psychology 5700) repeatable was approved today. I made a couple of tweaks to the course form before advancing it:

1. I removed the old exclusion "Not open to students with credit for Psychology 5700" since this will now become a repeatable course.
2. I added that the course is also cross-listed with Edu: T&L 5700 (since we have been informed that is the case and Edu: T&L 5700 has been approved all the way through OUR).

Please let me know if you have any questions.

All the best,
Bernadette
