Dear Sarah,

I am glad to report that on Tuesday, February 19, the ASCC Honors Panel *unanimously approved* Communication 1102H with the following suggestion and request:

- The panel suggests stating in the syllabus whether or not it is required or simply optional for students to turn in test questions.
- The panel would also like clarification regarding the combined (1100+1101) class for majors.
 - o If an honors student takes 1102H is that equivalent to taking the 1110 and 1101 prerequisites and admitted to the major or are they required to take an additional prerequisite?

Should you have any questions about this feedback, please don't hesitate to contact me or Professor Meg Daly, Chair of the ASCC Honors Panel (cc'd on this e-mail).

Best Wishes,
Danielle
