Dear Beth,

On Friday, March 29, the ASC Arts and Humanities Panel reviewed new course requests for Theatre 5310 and 5922S.

- Theatre 5310: the Panel did not take a vote on the course but would like the following points addressed first:
 - There is no link between recommended texts and schedule. The actual readings will be provided by professor as he is teaching the course. More information about suggested (sample) readings would be welcome and should be included in the schedule.
 - Request the assurance that students can complete the course without buying anything else than the USB hard drive.
 - Two quizzes on p. 1 are never mentioned anywhere else. The quizzes are not mentioned in the distribution of grades. The schedule does mention an intake quiz during week 1, but that would seem to be an ungraded quiz and nowhere does the schedule mention a quiz #2.

I will return Theatre 5310 via curriculum.osu.edu in a minute to enable the department to address those points.

- Theatre 5922S: the Panel unanimously approved this course.

Theatre 5922S will next be reviewed by the Service Learning Roundtable for the S status of the course and by the ASC Graduate Curriculum Committee since this is also a graduate-level course.

Should you or your faculty have any question about this feedback, don't hesitate to contact Professor Tim Leasure, Chair of the Arts and Humanities Panel, or me.

Best regards,
Bernadette
