Dear Spencer:

On Friday, January 11, the ASCC Arts and Humanities Panel reviewed Slavic 2797.02. The Panel did not take a vote on the proposal as it would like the following changes to be made first:

- Academic Misconduct statement needs updated. (<http://studentlife.osu.edu/csc/>)
- The assignments are geared more towards Education Abroad and Diversity than Cultures & Ideas. The committee would appreciate more linkage between the assignments and the assessment plan for the Cultures & Ideas GE category. If you wish to only pursue the GE categories Diversity & Education Abroad the course would be approved as is by this panel.

I will send back the proposal via curriculum.osu.edu to enable you to make the changes. The Ad-Hoc GE Education Abroad Panel is currently reviewing this course for the Education Abroad component. Feedback from that panel will be sent to you within the next week. Please wait to resubmit the proposal until you have received that email.

Should you have any questions about this feedback, I would recommend contacting Professor Tim Leasure, Chair of ASCC A&H Panel (cc'd on this e-mail).

Best regards,
Danielle
