Mary Ellen and Todd:

The proposals from the College of Arts and Sciences to convert, for the semester calendar, the Personalized Study Programs for the Bachelor of Arts and the Bachelor of Science degrees, were approved by the Council on Academic Affairs, at its meeting on July 10, 2013. Professor Kay Wolf and I, as Chair and Vice Chair of the Council, reviewed and presented the proposals on your behalf. Thank you for attending the meeting and responding to questions and comments.

No additional levels of review/approval are required. This action will be included in the Council's next Annual Activities Report to the University Senate (June 2014).

This message represents my formal communication with you about this action. Please keep a copy for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact me.

Randy
