Dear Paula,

We recently received a revision to History 2204 (Modern European History), an existing course that already had GE Historical Study and was requesting additional GE Diversity-Global Studies status. This addition had previously been approved with contingency. We have submitted the revision to the chair of the Arts and Humanities Panel and he has now fully approved the course.

The course will now move on to OAA. Provided the course request is subsequently approved all the way through the Office of the University Registrar, History 2204 will have GE Diversity—Global Studies starting Spring 2015.

Please know that the GE assessment plan will need to be implemented each time the course is offered and GE data gathered. After the second offering of the course, the Department of History will be asked to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 6 of the ASC Curriculum and Assessment Operations Manual [p. 75] [https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC\\_CurrAssess\\_Operations\\_Manual.pdf](https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf)). As always, our program assistant Danielle Hogle (hogle.12) can help the Department with any aspect of the GE assessment requirement. She will also make sure to contact the Department before the course is offered as a GE Diversity—Global Studies course and provide any assistance that the faculty member(s) may need. Could you please communicate this information to the faculty member(s) who will be teaching the course?

Many thanks,  
Bernadette
