Dear Roman,

This week the ASC Graduate Curriculum Committee reviewed new course proposals for EEOB 5890, 7890, 7891, and 7892. I am happy to report that all 4 courses were *unanimously approved*.

I do have a question about the prereq for 7892 and have returned the course to your queue (question pertains to the quarter equivalent of a course). If you could address this point and send the course back to us, we will advance it to the next curricular steps asap. As for 5890, 7890, and 7891, those courses are being advanced to the Graduate School and OAA.

Best regards,
Bernadette
