Hello Mike,

Just a quick note to confirm that Psychology 6850 and 8192 were approved by the ASC Graduate Curriculum Committee. The number for 8192 is OK if that is what the department prefers. On the other hand, Steve just noticed that only 14-weeks is checked off for period of offering. That means no summer internships. Is this possibly an oversight (especially since for 8191 all periods of offering are checked off)?

All the best,  
Bernadette
