Hi Alisa,

On Monday, April 15, the ASC Graduate Curriculum Committee reviewed a new course request for Psychology 5610. I am happy to report that the Committee unanimously approved the course.

The Committee did have a question about the campuses checked off: Columbus, Lima, Mansfield, Marion, and Newark. Was it intentional to check off all those campuses? Mike Vasey, who is a member of the Graduate Curriculum Committee, indicated that you would know the answer to the question.

The course will next be advanced to the Graduate School and OAA.

Should you have any questions about this feedback, please do not hesitate to contact Steve Fink (Chair of the Committee), or me.

My best,
Bernadette
