Dear Alisa:

On Monday, March 25, the ASCC SBS Panel reviewed and unanimously approved Psychology 5610. There was one small recommendation to change the "Fail" in the grading scale to an "E" since this is the official OSU grade.

Also I do have a question about the information on the form in [curriculum.osu.edu](http://curriculum.osu.edu): Is "Psych 2220 (H) and 2300 or grad standing" a prerequisite or coreq? Please let me know and I will adjust that information on the form.

Since this is a 5000 level course (i.e., also a graduate course), Psychology 5610 will next be reviewed by the ASC Graduate Curriculum Committee.

Should you or your faculty have any question about this feedback, don't hesitate to contact Tom Schwartz, Chair of the SBS Panel, or me.

Best regards,  
Bernadette
