Dear Sarah:

On Monday, March 25, the ASCC SBS Panel reviewed Communication 2596. The Panel postponed taking a vote on the course and asked that the following concurrence issues be taken care of first:

- Concurrences from College of Public Health & SENR are mentioned on the curriculum.osu.edu form but not attached. Please provide those concurrences.
- Please also seek concurrences from Psychology and Sociology.

I will send back the course in a minute to enable the department to attach those documents.

Should you or your faculty have any question about this feedback, don't hesitate to contact Tom Schwartz, Chair of the SBS Panel, or me.

Best regards,
Bernadette
