Becky,

This note to let you know that on Tuesday the ASC NMS Panel decided to table the review of Geography 2200. Indeed, the Panel is currently in the process of developing a rubric for the review of courses requesting GE Data Analysis. The review of Geography 2200 will be resumed as soon as that rubric is completed.

If you have any questions, please feel free to contact Harald Vaessin (chair of the NMS Panel) or me.

Best,
Bernadette
