Julia and Barry:

Based on a recommendation from the Graduate School, the proposal from the Department of Comparative Studies to establish a Graduate Interdisciplinary Specialization (GIS) in Comparative Literature was approved by the Council on Academic Affairs at its meeting on April 2, 2014. Thank you for attending the meeting and responding to questions/comments.

No additional level of review/approval is necessary. This approval will be included in the Council's next Annual Activities Report to the University Senate (June 2014).

This message represents my formal communication with you about this Council action. Please keep a copy for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have questions, please contact the Chair of the Council, Professor Henry Zerby (.8) or me.

Congratulations on the successful completion of the review/approval process!

Randy
