Subject: Revision Linguistics BA
Date: Friday, April 26, 2013 1:16:17 PM

Dear Julie,

The ASC Curriculum Committee (ASCC) reviewed the proposed changes to the Linguistics BA at its meeting on 4-19-13.

I am happy to report that the revision was unanimously approved with the following recommendations:

- Linguistics 5000 – clarify that it is not an option to take as an elective for the major.
- Explicitly state whether Ling 4400 can be taken simultaneously with 4100, 4200, and 4300.
- Convert quarter numbers in the Semester Advising Sheet for Track B to semester course numbers.

We will wait to advance the proposal to OAA until we have received the revised proposal.

Should you have any questions about this feedback, feel free to contact Professor Mitch Master (Chair of ASCC; cc'd on this e-mail), or me.

Best regards,
Bernadette
