Elizabeth,

On Monday, April 22, the ASC SBS Panel reviewed a course change request for Communication 3442. I am happy to report that the Panel unanimously approved the course change.

There was one recommendation that the comprehensive exam information on the syllabus be clarified for students when the course is taught next. The Panel assumes that Exam 4 will take little time (perhaps 55 minutes) and the remaining time in the period is for the make-up comprehensive test. However, this is not clearly explained. There should be an explanation of how it will be done. Panel's concern is that if the instructor is planning on having the make-up test after a 2-hour Exam 4, this could conflict with another exam a student has to take--putting that student (or students) at a disadvantage.

Communication 3442 will next move to the full ASCC for a 2-week comment period.

Should you have any question about this feedback, please feel free to contact Tom Schwartz (Chair of the SBS Panel), or me.

My best,
Bernadette
