Dear Erica,

On Tuesday, April 23rd the ASCC Honors Panel reviewed Classics 2401E. The Panel did not take a vote on the proposal as it would like the following changes to be made first:

- Please provide a timeline expected for the expanded research paper and the nature of the expansion (i.e. expected length, deadlines, outside sources, and other elements expected to be in the paper).
- A grading scale for the honors students.

I will send back the proposal via [curriculum.osu.edu](http://curriculum.osu.edu) to enable you to make the changes.

Should you have any questions about this feedback, I would recommend contacting Professor Meg Daly, Chair of the ASCC Honors Panel or Merijn van der Heijden, Assistant Dean and Director (cc'd on this e-mail).

Best wishes,  
Danielle
