Dear Erica,

The ASCC Honors Panel reviewed the revised version of Classics 2401E and approved it with the following the contingency:

- There should be a precise grading scale for honors students, as with the regular version of the course on page 4 of the syllabus:

Grading:

1/3 Both essays combined

1/3 Both unit tests combined

1/3 Final Exam

Unexcused absences reduce final grade

I will send back the proposal via curriculum.osu.edu to enable you to make the changes.

Should you have any questions about this feedback, please contact Professor Meg Daly, Chair of the ASCC Honors Panel (cc'd on this e-mail).

Best wishes,
Danielle
