Hi Tim,

This e-mail to confirm that Music 3343 was approved with the following contingencies at our meeting of April 26:

- Is English 1110 a prerequisite only or can it also be a corequisite? (Tim Leasure will find out.)
- Syllabus should include information about where books are available.
- Assessment plan: The professor will keep the data on his computer. Usually, data is shared with dept. It might be good if the person in charge of the specific area in SOM (in this case, musicology) kept the information.
- Ask for concurrence from Neuroscience. (Already requested by Garrett Heysel.)

I will send back the course in a minute so that SOM can make the necessary changes.

Thank you,
Bernadette
