Subject: English 2267 and revision to the Creative Writing Minor
Date: Thursday, October 03, 2013 8:16:50 AM

Hello Debra,

On Tuesday, October 1, the ASC Arts and Humanities Panel reviewed a new course proposal for English 2267 and a revision to the Creative Writing Minor.

- English 2267: *approved with one contingency*:
 - Contingency: Schedule: Request to include topics stating whether this is fiction, poetry, or creative nonfiction. Also include topics for workshops, if possible.
 - The panel also had a few recommendations:
 - Use 16 pt for statement about disability services. The statement also appears as a point “1” whereas there is no list in this part of the document.
 - Add grading scale.
 - Academic misconduct statement: recommend using the one posted here: <http://asccas.osu.edu/curriculum/asc-syllabus-elements>
 - Include length of the readings in the schedule.

I will return 2267 via curriculum.osu.edu to enable the department to make the changes.

- Revision to the Creative Writing Minor: *unanimously approved*:
 - Recommendation: advising sheet: second column: replace “should” with “can.”

The minor change will next move to the full ASC Curriculum Committee.

Should you have any questions about this feedback, please do not hesitate to contact Richard Fletcher, Chair of the ASCC A&H Panel (cc'd on this e-mail), or me.

Best,
Bernadette
