Sue,

Philosophy 1337 was unanimously approved with the following recommendation:

- *Direct assessment is still somewhat too much about assessing students rather than the course. Furthermore, it might be challenging to look at all blog posts overtime. Might it be easier to pick x number of students randomly? A sample would be sufficient and would make the work easier on the faculty member (instead of looking at all the students).*

The course will next be advanced to the full ASC Curriculum Committee for the standard 2-weeks comments period.

Should you have any questions about this feedback, please do not hesitate to contact Richard Fletcher, Chair of the ASCC A&H Panel (cc'd on this e-mail), or me.

Best,  
Bernadette

Hi Bernadette,

I see that Philosophy 1337 was on yesterday's agenda. Do you know if it was approved? Just wondering....

Thanks,  
Sue
