Dear Holly,

On Friday, September 20, the Arts and Sciences Curriculum Committee (ASCC) reviewed the proposals for a new Architectural Studies Minor and a new Landscape Architectural Studies Minor. I am happy to report that both minors were unanimously approved by the Committee.

Since those two minors had previously been approved by CAA, no further action is required. ASC students will now be able to take those minors.

Should you have any questions about this feedback, please feel free to contact Professor Rebecca Harvey (Chair of ASCC; cc'd on this e-mail), or me.

Best regards,
Bernadette
