Hi Lindsey,

On Thursday, September 12th the ASCC SBS Panel reviewed Sociology 3597.01. The Panel *approved the course with the following contingency and recommendations:*

Contingency:

Make revisions based on the recommendations from ASC Tech on the Technical Review Checklist.

Recommendations:

Provide a grading scale on the syllabus.

Continue working with ODEE & ASC tech.

Provide a description of the source materials for student study of China.

I will send back the course via curriculum.osu.edu in a moment. Should you have any question about the contingency, I would recommend you contact Professor Tom Schwartz, Chair of the ASCC SBS Panel (cc'd on this e-mail).

Best,

Danielle
