Dear Charles,

On Thursday, September 12<sup>th</sup> the ASCC SBS Panel reviewed Political Science 3460. The panel *approved the course with strong recommendations:*

- The panel feels that the course is too demanding for a 3000 level course and strongly suggests changing the course number or reconciling the content to a 3000 level course. The reading materials seem too challenging for first year students and the predictability of the course requirements are vague.
- Clarify the learning objectives in the syllabus.
- Add a grading scale in the syllabus.

The course will next move to the full ASCC for a 2 week comment period. If you have any questions regarding this feedback please feel free to contact the Chair of the ASCC SBS Panel, Tom Schwartz (cc'd on this email).

Best Wishes,  
Danielle
