Hi Charles,

On Thursday, September 12th the ASCC SBS Panel reviewed Political Science 4400. The Panel *approved the course with the following contingency:*

Seek concurrence from Sociology.

It was also raised by a panel member that Political Science 4400 was requested but on the syllabus it is stated as Political Science 4414. Which one is correct?

I will send back the course via curriculum.osu.edu in a moment. Should you have any question about the contingency, I would recommend you contact Professor Tom Schwartz, Chair of the ASCC SBS Panel (cc'd on this e-mail).

Best,

Danielle
