Julie:

The proposal from the Department of Linguistics to revise both its undergraduate major and minor programs was approved by the Council on Academic Affairs at its meeting on November 20, 2013, contingent upon changes that were suggested relating to Linguistics 2000. Thank you for attending the meeting to respond to questions/comments.

Please now work with Professor Steve Fink, Associate Executive Dean, College of Arts and Sciences, on the suggested revisions, and resubmit the revised proposal by December 12, 2013.

No additional level of review/approval is necessary. This action will be included in the Council's Annual Activities Report to the University Senate (June 2014).

This message represents my formal communication with you about this Council action. Please keep a copy for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact me.
