Hello Shari and Julie,
A course in EALL is going through curriculum review and the A&H panel thought that concurrence from Linguistics would be a good idea. It is scheduled to be taught by a new Assistant Professor with a PhD in Linguistics from Cornell (2011). Here is the url:

An email to me granting concurrence or specifying why concurrence is not granted is all I need to move forward. No response within 2 weeks is assumed concurrence. If nothing else, I thought that you might like to be aware of this course.
Best,
Garrett
